PLUMBING PERMIT REQUIREMENTS

Permit Application Submittal Requirements:

1. Completed Application for Permit form.
2. Application Fee: \$75.00
Note: The total permit fee may exceed the initial application fee. The balance will be due at time of permit issuance. Village fee schedule is available upon request.
Road Bond: \$5000 refundable deposit, if applicable, at time of issuance
3. Copy of work proposal/scope of work and/or specifications for project. Include isometric diagrams and plumbing review sheet.
4. Copy of Illinois Plumbing Contractor 55 License, Letter of Intent (notarized or with company seal) and Certificate of Liability Insurance (which lists the Village of Wayne as a certificate holder) from your plumber.
5. Homeowners Association approval, if applicable.
6. Historic Sites Commission approval, if applicable. An application for Historic Site must be completed as well as a sample of plumbing material provided for review by the Historic Sites Commission.
